**NAMES** Kelle O'Neal & Gregg Loos **LIVE IN** Bernardsville, New Jersey **OCCUPATIONS** Kelle owns a technology and business strategy consulting company and Gregg is the VP of sales for a software company **THE WEDDING PARTY** Kelle, Gregg, their daughter, Fallon, and his sons, Hunter and Chase **THE PROPOSAL** "Greg, Hunter, Chase and I were all standing on the Eiffel Tower in Paris holding hands in a circle when Gregg asked me to join him and his boys and be an official member of the family." **WHY MENDOCINO COUNTY** Kelle grew up in the Bay Area and traveled to Mendocino as a child. Gregg grew up in Toronto, Canada and agreed to have

the wedding in Mendocino without ever having been there! They both love water and the drama of the Northern California coastline and liked the "laid back, arty vibe of Mendocino over the more pretentious coastal settings in California". They also liked that as a "destination wedding" their guests could choose from a variety of lodging price ranges and things to do, from hiking and bike riding to shopping and wine tasting **CEREMONY ELEMENTS** All the children were involved, their friend, Antony was their officiant, Kelle and Gregg wrote their vows and Antony wrote the rest of the

ceremony based on what he knows about them and their goals and values as a family, they performed a water ceremony, cleansing all their hands together symbolizing the washing away of the past and the beginning of their new family **FAVORITE MEMORIES** Gregg: Fallon coming down the aisle with the boys and her cousin Madi in a red wagon. Kelle: Hunter and Chase's beautiful toast to her and Gregg
